FYI – while I'm out, there is going to be an Options briefing for Janet McCabe on part 192 UMTRCA revisions.

I don't think we have any further action on our plate. – Lucita

Hi Judy and Douglas – I'm not sure if you were able to have someone on the part 192 calls last week and today, but I wanted to touch base with you and pass along some information. I'm attaching the most recent version of the PPT for the options selection **Ex. 5 AC/DP**. The options briefing for Janet McCabe (that Shaun is supposed to be on) is set for June 10th. Most other Regions are going to be briefing their management by next Tuesday or Wednesday to prepare them for the Friday briefing with Janet McCabe.

Molly is the OGWDW contact, so if you have any questions about where OW was, contact her. They are planning to brief their management this afternoon

Good luck on the options briefing! Lucita

Just wanted to let you know that R8 is in a little bit of a unique position right now, with Craig Boomgaard being on detail. I'm not sure we have a program lead right now for this, but I've been giving information to 2 of the relevant managers in our Region. I am unsure about their interaction with management at this point.

Ex. 5 AC/DP

I will plan to pass this along to the Region's program clients and also information on the options briefing from the call. I am out of the office after today until June 14th.

Thanks, Lucita
